MEMORANDUM AND ORDER

This matter is before the Court on review of the file following remand by the Judicial Panel on Multi-District Litigation from consolidated pretrial proceedings before the United States District Court for the District of Minnesota.

IT IS HEREBY ORDERED that the parties shall, within twenty (20) days of the date of this Order, meet, prepare, and file a joint written response which shall set forth:

- (a) An agreed-upon statement of the facts and procedural history of this case, including significant actions taken in consolidated pretrial proceedings before the United States District Court for the District of Minnesota;
- (b) whether the parties have taken all necessary actions to cause the relevant portions of the record to be furnished to this Court;
- (c) the issues remaining for determination;
- (d) the potential for settlement, and the status, though not the content, of any offers of settlement;
- (e) whether referral to court-sponsored alternative dispute resolution could advance the ultimate resolution of this case;

- (f) whether the parties request a Rule 16 scheduling conference;
- (g) the nature and extent of any remaining discovery needed before this case is ready to proceed to trial;
- (h) when it is reasonably likely this case would be ready to proceed to trial and the estimated length of trial; and
- (i) whether the parties anticipate the filing of dispositive or expert motions.

As the docket does not reflect that any attorney has entered an appearance for defendants,

IT IS FURTHER ORDERED that plaintiff's counsel shall serve a copy of this Memorandum and Order on defendants' counsel, and defense counsel are reminded of their obligation to timely enter an appearance in this case.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE
